University of North Texas, College of Information, Department of Learning Technologies
Ph.D. Degree Plan

See Graduate Catalog for time limitations for completion of doctoral degree. Students are responsible for reading the graduate catalog and LT PhD doctoral student handbook requirements and for knowing when the program has been completed. Application for graduation must be filed in the Toulouse School of Graduate Studies (TSGS) before the appropriate deadline (see university calendar.)The number of courses, which may apply to the doctoral degree, is limited. Please consult your advisor.
